Caligula's Accoyo Poseidon x BCA Godiva DOB 3-3-05

*Add Champion Genetics to your Herd  
for the Cost of a Breeding!*

Skywalker is a stunning brown 7/8 Accoyo Herdsire, and a 2X Color Champion with a remarkable follicle density of 65 sq/mm! He passes on fine, dense uniform fleeces, uniform color, excellent stature and style.

With Accoyos Cahuide, Camilio, and Caligula in his pedigree, Skywalker's bloodline is legendary for producing winners. His sire, Caligula's Accoyo Poseidon is an 8X Color Champion.

And now Skywalker is producing Champions too! Why not let him produce for you?
